

Business Excellence Awards 2022 Environmental Champion Award

This award recognises companies that have made changes to have a positive impact on the environment sustainability

Awarded to a company which demonstrates all-round excellence in business in terms of:

- Accomplishments demonstrating effectiveness in changes to improve their environmental impact.
- Proven record of long term sustainability processes.
- Consistent commitment to an environmental topic e.g. waste reduction, responsible energy usage.
- Demonstration of creating a culture of environmental sustainability within the organisation.

Submission Format

Your submission should take the format of a typed report, no longer than 1,000 words, and should include information requested below. Organisations may enter for more than one category, but each separate entry must be accompanied by an individual entry form.

A distinguished panel of judges will determine the award recipients based on these submissions. Winners will be presented with our prestigious trophy at the Business Excellence Awards dinner on Friday 25th November 2022
